ORDER DIRECTING ENTRY OF JUDGMENT PURSUANT TO RULE 54(b)

On March 8, 2019, Plaintiffs Electrical Welfare Trust Fund (EWTF), Operating Engineers Trust Fund of Washington, D.C. (OETF), and Stone & Marble Masons of Metropolitan Washington, D.C. Health and Welfare Fund (Stone Masons) filed their Complaint, alleging Illegal Exaction and Fifth Amendment Takings claims against Defendant stemming from certain payments into the Affordable Care Act Transitional Reinsurance Program that Defendant had required of Plaintiffs. Complaint, ECF No. 1; Second Amended Complaint, ECF No. 59. Defendant moved to dismiss Plaintiffs' Complaint on May 7, 2019, and this Court granted Defendant's Motion to Dismiss as related to OETF's and Stone Mason's Illegal Exaction claims, but denied the Motion as related to those parties' Takings claims and as to EWTF's Illegal Exaction claim. ECF Nos. 6, 22. Subsequently, Plaintiffs twice amended their Complaint, and the case proceeded on parallel tracks related to the Illegal Exaction Claims and the Takings Claims, respectively. ECF Nos. 28, 59. This Order concerning partial Judgment relates only to the Illegal Exaction claims.

On April 8, 2022, EWTF moved to certify a class of entities alleging Illegal Exaction claims. ECF No. 53. On June 22, 2022, this Court certified the following class:

All self-administered, self-insured employee health and welfare benefit plans that are or were subject to the assessment and collection of the Transitional Reinsurance Contribution under Section 1341 of the Affordable Care Act for benefit year 2014 (the "Exaction Class" or "Class").

Class Certification Opinion, ECF No. 70 at 10–11.

Following class certification, Class Counsel issued a Notice to proposed Exaction Class members, and sent such Notice to approximately 650 plans identified by Government records as being self-insured and self-administered (i.e., putative members of the Exaction Class). *See* ECF Nos. 111, 92, 87-1. On November 11, 2022, this Court directed Class Counsel to "certify final membership in the Exaction Class by identifying the name of each member of the Exaction Class to the Court and providing, to the Court and Defendant, a copy of the opt-in form completed by each Exaction Class member and submitted to Class Counsel." ECF No. 92 at 5.

During this time period, EWTF and the Exaction Class (collectively, Class Plaintiffs) filed a Motion for Summary Judgment on the Illegal Exaction Claim, which was substantively unopposed by Defendant. *See* ECF No. 72 (Motion); Defendant's Response to Plaintiffs' Motion for Summary Judgment, ECF No. 80. On December 21, 2022, this Court granted the Class Plaintiffs' Motion and stated its intent to direct entry of Judgment on the Class's Illegal Exaction claim pursuant to Rule 54(b). ECF No. 97. Class Plaintiffs filed their initial Certification of Final Membership in the Exaction Class (ECF No. 106) on February 2, 2023, and on February 10, 2023, Class Plaintiffs filed an unopposed Supplemented Certification of Final Membership in the Exaction Class (ECF No. 111), which included an exhibit listing a final Exaction Class membership of 357 entities and the

amount due to each entity. *See* ECF No. 111-1. The Class Plaintiffs requested the Court enter an order directing the Clerk to enter partial Judgment pursuant to Rule 54(b) in favor of the Exaction Class in the total amount of \$185,230,024.42. ECF No. 111 at 4. The Class Plaintiffs also detailed Class Counsel's efforts to verify the eligibility of opt-in plans to be part of the Exaction Class, as well as their efforts, working with Defendant, to verify amounts owed to each class member. *Id.* at 2–4.

On March 1, 2023, Defendant filed an Objection to Certification of Final Membership in the Exaction Class, objecting to entry of Judgment related to 157 of the 357 proposed members of the Exaction Class. ECF No. 114 (Objection). Class Plaintiffs filed their Reply in Further Support of Final Membership in the Exaction Class on March 28, 2023, providing further, helpful information. ECF No. 118. Subsequently, the parties met and conferred and resolved their differences related to Defendant's Objection to entry of Judgment as to 157 members of the Exaction Class. Accordingly, on May 11, 2023, during oral argument, Defendant's counsel formally withdrew its Objection on the record and stated that Defendant did not object to this Court directing entry of Judgment for all 357 members of the Exaction Class. *See* Oral Argument Transcript, May 11, 2023. Class Counsel confirmed on the record that the parties agreed that Judgment should be entered for the 357 members of the Exaction Class. The parties do not dispute the amount owed by Defendant in total or to each Exaction Class member.

This Court has thoroughly reviewed the parties' briefs, exhibits, and arguments as to the now-unopposed request for entry of Judgment related to the 357 members of the Exaction Class, and finds that there is good cause shown to enter Judgment in favor of such Exaction Class members.

Accordingly, pursuant to Rule 54(b), there being no just reason for delay, the Clerk of Court is **DIRECTED** to enter partial Judgment in favor of the 357 Exaction Class Plaintiffs in the total amount of \$185,230,024.42 in damages, to be distributed as set forth in the attached exhibit, initially filed by Plaintiffs and subsequently approved by Defendant. *See* ECF No. 111-1.

IT IS SO ORDERED.
